

Crooked Russian Laundromat

Such big world,
Yet small place,
Dark Russian money,
Hidden looted riches.
How much?
Where is it?

Atlantic Council says,
\$1 trillion treasures stashed!
Mother Earth cashed:
Putin's gaseous piggybank,
\$60 billion Gazprom swiped,
\$36 billion Cyprus concealed,
\$46 billion Caymans cached,
Russian laundering banks,
Ninety-six countries \$21 billion,
Tip of spear!

Putin's Ukraine invasion,
Noose knot tautening,
Fleeing four hundred,
Russian oligarchs flocking,
The Switzerland Singapore of Arabia,
Hello Dubai UAE!
Palm development eligibility,
Roman Abramovich new digs?

Bitcoin not so safe,
Superyachts Mayfair flats,
Nyet.
Manhattan Vegas skyscrapers,
Nope.
Swift transfer cancellations,
Annoying.
Diamonds Baby!

Diamonds Are Forever,
Russian reserves largest,
Six hundred fifty million sparkling carats,
Fifty-two world's per cent.
Universal secret currency!

Gooley gassy taps may trickle,
\$447 million Putin bond payment transacted,
Glittering glistening gleaming,
JPMoragn Chase cupped palms.
Enter KleptoCapture,
US seising Rus' oligarch's assets,
A trillion dollars,
Ukrainian repatriation!

Stowing away,
Burying locking up,
Out of sight camouflage.
Ukraine bombing Belgorod oil,
Resistance!

All for one,
None for all!
Little Vladimir Putin,
World kingpin mobster,
Like Al Capone,
Ignominious ending forthcoming.
Prisyádka.
Bashkir.
Yablochko.
