

Abu Dhabi COP28 National Oil

Macho men,
Greedy gluttons,
Brutal bankers,
Complacent civil servants,
Woeful worldlings,
Furious fossil-fuellers!

Climate catastrophe,
Cunning #COP28,
Pernicious polluters,
Colossal carbon collusion,
Net-zero nonsense,
1.5C bullshit
2C sooner
3C soon,

Agonising Age!

Guilty as charged:
Civilisation collapse.
