

## **Australian Climate Mosquitoes**

Climate cyclones,  
Fearsome flooding,  
Mosquito mayhem,  
Civilians carrying branches,  
Swatting selves,  
Northern Territory terror!

Combusting calamitously,  
Beetaloo Basin belchin',  
Paralysed pools,  
Breeding bonanza,  
Infectious illnesses,  
Vigilant virologists:  
Japanese encephalitis  
Murray River encephalitis  
Ross River virus  
Dengue virus,  
Climate catastrophes,  
Subsidised sociopaths:  
Lackey lawmakers  
Arrogant asset administrators  
Brash bankers  
Fossil fuel fiends!
